

## Codeavour Ambassador for Students

### Description: Codeavour Ambassador for Students

Position: Codeavour Ambassador for Students

Location: Work from Home

Type: Part-time

Time Required: 5-7 Hours a week

Program Time Span: 6 Months (September to February)

### About Codeavour:

[Codeavour](#) is a dynamic and innovative online platform dedicated to nurturing young minds and fostering their interest in coding, programming, and technology. Our mission is to empower students with the skills and knowledge needed to excel in the digital age. We provide engaging and interactive coding courses, workshops, and events that inspire creativity, problem-solving, and critical thinking among students.

### Job Overview:

We are seeking passionate and motivated individuals to join our team as Codeavour Ambassadors for Students. As an Ambassador, you will play a pivotal role in promoting Codeavour's mission within your school, college, and local community. You will be the face of Codeavour 5.0 International, engaging with fellow students, educators, and parents to raise awareness about the benefits of coding education and encouraging participation in our programs.

### Responsibilities:

- Act as a representative of Codeavour, promoting our coding courses, workshops, and events to students within your school or college.
- Organize and host informational sessions, workshops, and presentations to introduce Codeavour's offerings to fellow students and educators.
- Collaborate with teachers, school administrators, and student clubs to integrate Codeavour's resources into the curriculum or extracurricular activities.
- Share your personal experiences and success stories with Codeavour's programs to inspire and motivate other students to get involved.

- Utilize social media platforms and other communication channels to create buzz and excitement about upcoming Codeavour initiatives.
- Provide feedback and insights from students to help improve the quality of our programs and offerings.
- Assist in planning and executing local events, hackathons, and coding competitions in coordination with the Codeavour team.
- Support students who participate in Codeavour's programs by offering guidance, encouragement, and assistance as needed.
- Maintain regular communication with the Codeavour team, reporting on progress, challenges, and opportunities.

### **Skills Required:**

- Enthusiastic about coding, entrepreneurship and technology education.
- Currently enrolled as a student in a school, college, or university.
- Strong communication and interpersonal skills.
- Active and engaged on social media platforms.
- Self-motivated and able to take initiative.
- Ability to collaborate effectively with peers, educators, and parents.
- Prior experience in student leadership, event planning, or community outreach is a plus.
- Familiarity with Codeavour's programs and successful completion of one or more courses is preferred.

### **Learnings:**

- Gain valuable experience in leadership, communication, and community engagement.
- Expand your network by connecting with fellow students, educators, and professionals in the tech industry.
- Training sessions will be provided for efficient operations.
- Learning Sessions will be provided about AI, ML, Python Coding, AR-VR.
- Team Leading and Management Skills.
- Access to exclusive Codeavour resources, workshops, and events.
- Opportunity to earn incentives, rewards, and recognition for your contributions.

### **Benefits:**

- **Opportunity to Create Impact**
  - To make a significant impact on education by promoting coding skills and literacy.
  - Gain recognition as a thought leader and advocate for coding education within your professional community.
  - Access to exclusive Codeavour resources, workshops, and events.
  - Expand your professional network by connecting with educators, administrators, and industry professionals.
- **Personal Branding**
  - Personal branding on Codeavour Website.
  - Branding on Ambassador Wall on Website.

- Branding through workshops and events at regional, national and international events.
- **Prizes, Certificates and Badges**
  - Ambassador Certificates and appreciation letter for your contributions to the Codeavour Ambassador Program.
  - Codeavour Ambassador Badge.
  - Top 5 Student Ambassadors will be awarded with exciting prizes.
- **Financial Incentives**
  - Receive incentives and rewards on Codeavour participation through your referral code, 10% Discount for participants registered through your referral and 10% will be rewarded to you (minimum registration of 20 teams is mandatory to avail the incentive)
- **Value Addition**
  - You will receive an official offer letter from STEMpedia, recognizing your role and responsibilities as a Campus Ambassador.
  - Free Course: You will be entitled to a complimentary course, allowing you to enhance your skills and knowledge.
- **Procedure for Onboarding**
  - Overview Meet for Codeavour 5.0
  - MoU Signing for Codeavour Ambassador
  - Offer Letter to be provided
